PILLOW MENU

THE “MEMORY FOAM CONTOUR NECK PILLOW”

Enjoy a comfortable, supportive sleep and wake up feeling energised! A memory foam pillow cradles your head and neck, reducing tossing and turning. This innovative visco-elastic foam is temperature sensitive and distributes pressure evenly over a large surface area, minimising pressure points that cause headaches and neck pain.

THE “BODY PILLOW”

Your cosy comfort companion. This versatile body pillow offers more than just sleep support. Prop it behind your back for a comfy reading nook, use it while lounging in bed, or simply cuddle up for extra back support.

THE “MATERNITY BOOMERANG PREGNANCY PILLOW”

Get the sleep you deserve! The maternity boomerang pillow cradles your body, easing hip and back pain for a more comfortable pregnancy. Maternity pillows can also help ease hip pain and relieve back pain.
